Additional Notes

- Remember to pack items inside plastic bags (rucksacks and sports holders are not waterproof)
- It is sensible to pack similar items in the same plastic bag (i.e. socks and underwear in one, T-shirts and shorts in another)
- It is sensible to have different types of plastic bags, i.e. Sainsbury's for Socks, Tesco for T-Shirts, etc to make it easier for cubs to remember where their kit is
- These individual plastic bags should then be placed inside a bin liner or large plastic bag that then sits inside the rucksack/sports holder for further protection
